EVERYDAY ENGLISH

30 Days of Speaking

A practical English speaking workbook.

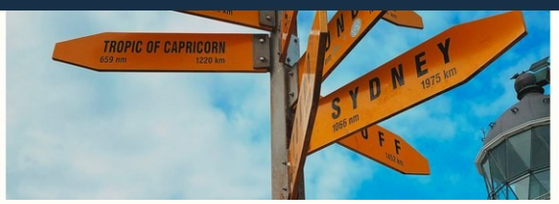

Speak more. Think less. Feel more confident.

WordBloom

WELCOME

Speak easy.

This workbook is not about memorising perfect grammar. It is about getting your mouth used to English.

Each day, learn a few useful phrases, say them aloud, answer a quiz, role-play a real situation, and finish with a short speaking challenge.

NAJWAŻNIEJSZE

Polish is here to help you understand. English is what you practise speaking.

HOW TO USE: 10-15 MINUTES A DAY

1 Say it	Read each phrase aloud 3 times. Focus on natural rhythm, not perfection.
2 Repeat	Read the chat. Then cover the page and try again.
3 Practise	Do the quiz and swap the words to make the phrase your own.
4 Role-play	Take both roles. Change the details to make it your own.
5 Quick challenge	Set a timer. Speak without stopping. If you forget a word, explain it another way.
